

DO YOU USE AN EXCHANGE COMPANY TO...
Vacation to other destinations?
Bank your week to come the next year and stay longer?
Rent out your week for you if you are not using it one year?

Exchange Companies are designed to help timeshare owners be more flexible with their vacation planning.

Here is a quick reference guide for you to consider if you are interested in doing a timeshare exchange. You still own your Imperial week and need to remain current on maintenance fees. All Exchange Companies require owners to bank a booked Imperial week with check-in dates, before the search somewhere else can begin.

Step 1. Make a reservation

Step 2. Contact your exchange company and give them your reservation information. (If you want to deposit your week with RCI, our Imperial Reservations Department takes care of the process.)

Contact The Imperial Hawaii Resort Reservations department at 1 (800) 347-2582 or email resvn@imperialofwaikiki.com

Availability of the Exchange Company's Inventory depends on what weeks & locations others have deposited.

The Imperial Hawaii Vacation Club is not specifically endorsing services; we are just giving an example of what is available. Membership pricing, exchange pricing and special offers may change.

Please contact each exchange company directly.
